Darren Sakai
President

Aloha Sisters and Brothers,

At IBEW 1357, we are constantly looking for ways to enhance our membership package for our valued members. As a recent enhancement, we would like to announce that, as of September 1, 2019, we have purchased Accident Insurance for each of our members at no cost to you through Combined Insurance Company of America. **Enrollment in the new plan will be held from August 19 – 30, 2019.**

Benefits for this coverage are paid directly to you and your family. This program also includes other features such as an Accidental Death & Dismemberment benefit of \$20,000. You will be receiving your policy package from Combined Insurance Company of America by mail in the coming days.

Additional information from you is required in order to complete the enrollment process. To successfully enroll in this new benefit and provide your beneficiary information, IBEW 1357 has partnered with EOI Service Company, a professional enrollment firm with over 40 years in the benefits and communications industry.

With the guidance of a professional EOI benefit counselor, you will be able to get answers to any questions you may have and enroll. Schedule a one-on-one appointment today to speak with a benefit counselor, assign your AD&D beneficiary, and enroll. Please schedule an appointment with a professional benefit counselor at hawaiiibew.mybenefitsappointment.com or by calling 888-573-3756, Monday – Friday, 7:00am – 3:00pm HST.

Please don't miss the opportunity to take advantage of this great benefit from IBEW 1357.

Fraternally yours,

A handwritten signature in black ink, appearing to read "Troy Benevides".
